

King Edward VI School

Student Evaluation 1

King Edward VI School is already a good school. But we want to make it even better. The staff at the school have been looking at the strengths and weaknesses of what we do, and now we would welcome your feedback.

This first questionnaire aims to help us know what your views are on a range of general issues. Later questionnaires will focus on specific areas – such as catering / buildings / teaching styles / the school day.

To fill this questionnaire in:

- On this side, CIRCLE the answer you agree with
- On side two, write your comments
- Please do not mention any teacher or student names

If you would like to be involved in joining an evaluation team, email feedback@king-ed.suffolk.sch.uk and a sixth former will contact you with more details.
